

Security - 2

OGC Has Reviewed

12/19

Chief, Administration, FI

1 to 2. We see no legal objection to the use of the name for SSU signatures as proposed in the attached memo provided each user is registered in accordance with Agency regulations for that purpose and, further provided, that the identity of the actual signer in each case is made a matter of record presumably on the record copy or by some other such specific identification.

Lawrence R. Houston
General Counsel
